It was a fun learning experience meeting other kids who are working for the same cause with all different motives.

—Amber Updike, 8th grader from the Watkins Glen Central School District

Personally the CADCA youth training in Indianapolis was very beneficial to me as a person and as a SCCUDD member and also as a member of Schuyler County. The logic model we created in our training sessions is ready to be implemented upon our arrival home. Seeing that other kids my age feel the same way about drug use and underage drinking was a wonderful experience. It's not always easy to be the odd one out against your peers. But the CADCA youth training in Indianapolis has empowered me to make a change in my community. I'm so grateful to have been given this opportunity.

—Kassandra Snyder, senior from the Odessa-Montour Central School District

Meet a Member: get to know people in SCCUDD

- **Name:** Kassandra Snyder
- **Occupation:** Student at Odessa-Montour High School; Nursing student
- **Why did you decide to join SCCUDD:** I joined SCCUDD because I see the problems in my community and I want to help fix them
- **Hobbies:** Volleyball, cheerleading, and riding four wheelers
