

Healthy Food Ideas: School Snacks, Celebrations & Family Events¹

Snack time, celebrations, and family events are great opportunities to promote a healthy lifestyle, provide consistent messages and create excitement around nutritious choices. When food is a part of the school day or a special school event, offer a variety of healthy options including fruits, vegetables, whole grains, low fat/fat-free dairy products and water.

Edible Art

Creative parents can make items like “Watermelon Turtles” (hollowed-out watermelons carved to look like turtles, filled with fruit) or “Veggie-Head Bagels” (mini whole grain bagels with low fat cream cheese; use small pieces of veggies like broccoli, carrots, and peppers to create fun faces). In fact, edible “food art” can be created using a variety of healthy foods. Kids will have a blast making and eating the good-for-you treats.

Drinks

- Water
- Low fat or fat-free milk
- 100% fruit juice
- Sparkling punch (seltzer & 100% juice)

Make health the expectation and the easy choice for students and families

- Promote fruits and vegetables by arranging them in a visually-appealing way to draw the attention of kids and families.
- If sweets or other treats are present, offer them in small portion sizes with other, healthier foods that balance out the meal. Try cutting treats in half.
- Create sign-up sheets that list items like fruits, vegetables, whole grain crackers, low fat/fat-free yogurt, cheese and milk – and don't forget the water. Include one line for a parent to bring in a less nutritious, more traditional party treat (which is an opportunity to teach moderation), or eliminate that option entirely.

Alternately, instead of sign-up sheets, send home a list of suggestions for healthy party snacks (check for food allergies before serving).
